## Probability: "High or Low?"

| Card | Probability <br> HIGH? | Probability <br> LOW? | Probability <br> EQUAL? | Your Guess? | Was your <br> guess correct? |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |

## Reflection Questions:

1. How many of your groups' guesses were right? How do you think your group did overall?
2. Was this game easier or harder than you thought before you started? Explain.
3. How would the game change if you put each card back into the deck and shuffled every time before dealing a new card?
